A Certain Cure for Croup—Used for

Ten years without a Failure.

Mr. W. C. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past ten years, and though they much feared the croup, his wife and he always felt safe on retiring when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequalled for croup and whooping cough. Sold by O. O. Krogstad.

For Sale Cheap.

Sheriff Ross returned last Thursday evening from Portland where he arrested J. F. Burns and Dan Warnock, who were charged with having killed elk before the open season. Saturday the accused men came in and told "Squire Clark they were guilty, and after depositing \$25 each with costs they were told to depart and sin no more.

Rancourt. Members of the church hauled the lumber to the site and began work on the building Tuesday. The building will be 20x30 feet.

What came near being a serious blaze occurred Tuesday afternoon. Clarence Ofstedahl and Sondre Romtvedt were putting tar on the roof of the Ofstedahl building when the kettle containing the tar boiled over and caught fire, and before the fire could be extinguished the tar on the roof had caught fire. J. S. Akin, Norm Anderson, Rex Nelson and others rushed to the roof and soon put out the fire. It was lucky that the fire did not gain headway, as the Toledo Water and Electric Light company's mains have been empty for over a week.

It will pay any one to stop in at Stanton & Croso's office and take a look at the products of the orchards and gardens of Lincoln county. It puts one in mind of an agricultural booth at a county fair. Most every farmer has some product of his garden or orchard on exhibition there. J. D. Logan has a limb of an apple tree, 18 inches long with 36 apples on it; John Steele has a very large Hubbard squash and some other vegetables from his garden. Then there others to numerous to mention. It will not be time wasted to stop in and look at them as it will show you what can be produced in Lincoln county.

The W. R. C. Entertainment.

The entertainment given by the Woman's Relief Corps at Woodmen Hall last Saturday evening was well patronized and was up the usual high standard of that organization's entertainments. The "Tom Thumb Wedding," by the little ones was well rendered, the little "men and women" carried out the wedding ceremony, the grand march and the quadrille perfectly and made a pretty picture and reflected credit upon their instructor, Mrs. Schenck, who, with others, had worked so hard during the past three weeks in drilling the little tots.

The little farce, "Rooney's Restaurant," by the young people, was also well rendered and gave everybody a hearty laugh. Each character was well cast.

The music by Rosebrook's orchestra was, as usual, greatly appreciated. Miss Verne Ross never sang more beautiful than in her solos on this occasion. The ladies' quartette, composed of Mesdames Mabel McClure and Emma Croso and Misses Edith and Verne Ross, rendered a pleasing number.

Pat's permanent restaurant, at the close of the program, was well patronized and a great many cups of coffee with flaxin's were disposed of.

The bride's cake was sold at 15 cents per slice, and the ring concealed therein was drawn by Fern Hayden.

All the above transpired between the hours of 8:30 and 11, then faithful old Bingo was trotted out to amuse the young folks—and a few older ones—until midnight.

The ladies of the Relief Corps are very thankful for the liberal patronage of the people in adding \$86.20, less about \$20 expenses, to the cemetery sidewalk fund.

John Daly, surveyor general of Oregon, former state senator from Lincoln and Benton counties, later state senator from Benton, fell three stories down the stairway of a building in Portland last Friday morning and was instantly killed. The cause of the fall is not known. Some suspect foul play, others claim the loss of his position as surveyor general had unbalanced his mind and it was a case of suicide.

How to Cure a Cold.

The question of how to cure a cold without unnecessary loss of time is one in which we are more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by O. O. Krogstad.
